How the day will work.

- You book in via the club website and then we will split you into groups according to your test level and /or standard. Do not worry if you are above your current PC test we will place you according to your riding level. **LARGE GROUPS AT ONE LEVEL WILL BE DIVIDED IN 2 but will count as one group for overall points.**
- Start time will be on Members Face Book Page / emailed
- When you arrive tack up join your group and be ready to start at the Station you are allocated.
- When all your group have completed the station you will be awarded rosettes for that station
- The whole group moves on to the next station together.
- If you do not wish to take part in a station that is fine BUT YOU MUST REMAIN AT THAT STATION WITH YOUR GROUP.
- On completion of ALL the stations your placings from all 6 stations will be added together and rosettes will be awarded with the top member of each group receiving a sash.
- Depending on entries it maybe there is more than 1 group per standard if this is so overall placings will be awards after all the groups at that standard have finished.
- THIS IS A FUN SHOW WITH YOUR SDW FRIENDS, KEEP SMILING & SUPPORTING EACH OTHER!
